

THE INDIANA CHAPTER OF THE AMERICAN SOCIETY OF APPRAISERS SUMMER 2019 NEWSLETTER

Fellow ASA Indiana Chapter members:

I hope this newsletter finds everybody having a peaceful and prosperous year.

The ASA and the appraisal industry are both continually changing. When you meet obstacles on the ever-winding road of our profession, reach for the experience and expertise of your fellow Chapter members.

Unsure how to approach a new assignment? Need guidance in an unfamiliar area? Having trouble with your designation application?

The knowledge you need is right here in our Chapter and its members – you just have to ask for it. Let us know if we can connect you with another member or help in any other way.

2018-2019 Review

Thank you to Sharon Theobald for giving her time to lead the Chapter over the past year! We have revamped the website, welcomed new members, and continued regular Chapter networking, educational, and promotional events. Thank you to everybody who participated and volunteered.

Why be Involved in ASA Indiana?

Part of your annual ASA dues come back to your state chapter. We use these dues for networking, educational, and promotional events at our discretion. Those who are active in our Chapter decide how we spend this money – if you are involved, you can help make sure we are meeting all members' needs.

Online Chapter Roster

We update the Chapter member roster on asaindiana.com 3-4 times annually. All information is taken from the ASA national registry. If your information is incorrect on our website, please update it with the ASA national office! It will be corrected on the Chapter website the next time we update our roster.

October 1 ICLEF Seminar

Our Chapter has been given the opportunity to present a seminar for the Indiana Continuing Legal Education Forum (ICLEF). The event will be held on Tuesday, October 1 in Indianapolis. This is an

excellent opportunity to network with Indiana attorneys. Attendance is free for Chapter members. Visit the Chapter website for full details. (We will also be sending a postcard announcement later this summer.)

Hard Copy Chapter Directory

We are going to print small hard copy Chapter directories to hand out at the ICLEF seminar and other future events with potential appraisal clients.

PLEASE NOTE: We are going to use the member roster from our website. If your information is inaccurate on our website, it will be inaccurate in the hard copy directory. Please contact the ASA National office if your information needs to be updated!

PLEASE NOTE: You are invited to submit a very brief (10 words or less) skills/specialties entry for the hard copy directory. This will be your opportunity to provide more detail about your practice besides simply listing your ASA discipline(s).

Please email me your entry if you would like one listed alongside your contact information. If you'd prefer not to have anything besides your discipline(s), you don't need to email me anything.

(Some examples: "Healthcare practices, ESOPs and buy/sell agreements" - "Multi-family, manufacturing, general commercial" - "Fine art and antiques, estate tax and donation" - "Litigation, divorce, and insurance disputes" - "Commercial lending and workout liquidation appraisals")

We Want Your Ideas!

We have funds in the Chapter account. If you have an idea for networking, educating, or promoting our Chapter members, please email myself or another officer at any time. Contact information for all officers can be found at asaindiana.com/contact.
